*** Per Title V Regulations, financial aid students cannot be charged more than \$20 per term for parking if they are receiving a CCPG "A", "B" or "C". Parking is \$40 per semester and \$18 for summer session.

Additional Notes:

- Default Housing Status
 - In discussion between the two FA directors, and feedback from colleagues in the state, the

common feedback was to default the housing status to away from parent to be able to award more aid instead of less than what many students would get if defaulting to living with parent

- Another option: Default Dependent students to living with parents. Default Independent students to living away from parents.
 -
- Note: Decide after more FSA and NASFAA guidance is provided
